“ Lilly was such a kind and loving person. She loved her flowers and was always gardening even after suffering from a stroke. Lilly was like a second Mother to me. She was a beautiful soul. Love you Lilly

I had the pleasure of being Lillian's neighbor for 30+ years. We gardened and raised Monarch butterflies together. She loved Brandy, our Wheaten Terrier and played with through the fence everyday. She was a very special person. I will miss her, but I know where she is and rejoice that she has eternal life through our Savior, Jesus Christ. I'll see you again my dear friend. XOXO

Lillian was such a wonderful and genteel lady. She was always a pleasure to talk with, especially over the back fence when she was visiting Janice on her deck. Several years back she and Janice spent an Eagle weekend with Diana and I at Kentucky Lake. It was one of our most memorable weekends.
