“ *I'm so sorry about nyx. She was so young and pretty, she didn't deserve any of this to happen to her, I'm incredibly sorry to her for not spending enough time with her. I really should've, when I arrived at the visitation ceremony, she looked so peaceful, like she was dreaming, I wish she could just wake up and all of this just be one crazy dream that never happened.*

I was her classmate, and she was very sweet and kind to everyone there, including me. Us here at doss will always miss her kind soul.

From grace, former classmate and proudly part of the dnd club, I'm so glad I got to meet her when I did. My condolences and apologizes to her family for not being her friend. We'll miss you, Nyx. 🧡🙏

I was her friend, just wished I spent enough time with her to make her feel like it. We'll be planting lilies in our flowerbeds to remember her bye.

“ *Such a sweet and loving great niece! I will always remember her as the happy and wonderful girl that she was. I will miss her in the pool even when the water was too cold to swim, she would jump right in. Love Aunt Janet*
