“ Dear Dobson Family,
i am so sorry for your loss please accept my sincere condolences at this time. Something that I personally have found to be a great source of comfort when dealing with the loss of a loved one is the thoughts expressed in the Bible at John 5:28,29 where we see that God is going to bring our loved ones back to life. Also at Revelation 21:4 we see that God is going to eliminate all causes for sorrow and pain including death itself. It is my sincere hope that these thoughts bring your family comfort at this time. once again I am so sorry for your loss.
