“ I have fond memories of Roxy. She kept my now 27 year old daughter and 21 year old son when they were born. David worked for my mother here in College Station. I'm sorry to hear of her passing. Thoughts and prayers for your family.

“ Roxy and I are cousins. The last time I saw her was at Aunt Elmeta's service. She looked quite frail then but still the sweet lady, as always. I know her family and friends are going to miss her, I'll be praying for you. I know you have many special memories that will always be with you. You were blessed to have her in your life.

“ *Roxy was my cousin. We had a cousins reunion a few years back. Roxy was in healthy form at that time. It was so good to see her and reconnect as it had been many years since we had seen her. Prayers for the family at this time and the days ahead. 🙏🙏🙏*

“ *Mrs. Roxy cared for both of my daughters, Nila & Nina, when they were young. She was a wonderful neighbor and friend to me all the years we lived next door. I could always count on her to help me out in a bind or simply check to see how we all were. I loved the days when she was able to keep up her yard so beautiful. Her faith was amazing. She loved well and showed it often. Rest In Peace.*
