“ I was so sorry to hear about the sudden death of Linda. She was a friend who played in the bridge club, started at PRP High School, with me for many years. We met monthly & Linda was always faithful to be there. We will miss her. She loved her family & always talked about her children & grandchildren. She was thankful for all of you. I know you will miss your Mom, Grandmother, Sister, Cousin, friend. . I am praying for your family as you go through this difficult time. I will be out of town & regret not being there.

“ So many sweet memories growing up with our closest cousins. Holidays, birthdays, dinners, road trips, overnights at their houses and at grandmas. I know she is happy now with her beloved George. I hope that is of some comfort to all of you Kellea at this difficult time.

I also have fond memories of being with my cousins on holidays. Being the youngest grandchild, I don't have as many trips or overnights to remember. But, I do remember that Linda was a fine, kind women. She always treated everyone with such kindness. Rest well my cousin and say hello to all of the family that you have joined in heaven. Kellea and family I am so sorry for your loss and that I won't be able to come home for the service but I will be thinking and praying for all of you.

*I was not a relative of Linda's but a high school friend. I found her to be a kind, sweet friend.*

*I remember that we went to our first reunion together. We sat around reminiscing most of the first night which was for alumni only. We had a fine time! She will be missed.*

*I would like to send a memory to my beloved cousin with whom we shared many triumphs and secrets. We were college roommates for two years and were always close because we got to spend the night at Grandma and /a=Aunt Mildreds together because of our closeness in age.. We had ups and downs through the years but we always loved each other and were there if needed. She helped me sew some of my maternity clothes for Tara and spent the night with me.*

*I hate what her first husband did to her , but along came George, one of the kindest men I have ever meant. He Made her .so happy and I love him for the years he was able to give her. I will miss my cousin and my friend.*
