“ I have loving memories of linda, particularly the Bengals' game with garbage bags on our legs to keep out the snow, and the new england tour that she planned with such detail. she was one in a million.

“ May the road rise to meet you. May the wind be always at your back. May the sun shine warm upon your face. May the rains fall soft upon your fields and until we meet again, May the Lord hold you in the palm of His hand.

We love you all, you are in our prayers.

“ So sorry to hear of Linda passing. I worked with her for many years in the payroll and banking area of General Electric. My prayers and thought are with her family at this very trying time. May God hold each of you in the palm of his protective hand.

“ Vickie,

I am so sorry about your mother. We were just talking about her at Lynda Gayle's. I know she has been sick for a long time. I am sure she is in Heaven now. I love you.
