“ I was Linda's caregiver for the last 9 or so months of her life. She was the sweetest person I ever met. We shared many fun times together and laughs. We loved to shop for pretty clothes and go to dinner and just enjoy the outside. She loved her family with her whole heart they meant everything to her. She told me her happiest place was when Lexi her dog would lay peacefully in her lap. I am so grateful God gave me that most precious time with. I thank her family for letting me be close to her. She will always be with me in my heart. I could just write a whole book on just how outstanding she lived her life. 🙏

“ To the Hafenbriedel family, especially Linda’s brothers, you have my condolences. Linda and I were good friends the last couple of years at Butler High School. She and I both were on the quiet side and formed a connection that was special. During that time, I was a guest at your home and even spent the night. I remember your little Chihuahua that just wouldn’t make up to me. And I am a dog lover! Your mom made spaghetti that evening for dinner and it was delicious. Linda and I both interviewed for jobs at the telephone company. She got on, I didn’t. But I got the job that was meant for me, I worked in the offices of the Louisville Fire Department for 34 years and loved it.

Jimmy, you lived in the same subdivision as I do now for years (Seaton Place). I know you moved a while back. Hope the move has been good for you.

Just wanted to let you know I knew Linda and I am so sorry for her passing.

Your in my thoughts and prayers as you say goodbye to your loved one.

“ The Lord took away her pain and suffering. The Parkinson Disease changed her life for over ten years. We are sorry that we cannot be there for the services. We love her and will miss her dearly.

With our love,
