“ June and I were stationed at Fort Knox together in 1959 I think! We became best friends along with her roommate Phillys (don't remember her last name) We had some unforgettable great times and I have thought about her so often! So sorry she has passed!

“ We always had such amazing times with grandma June. She would always come to archery competitions in Louisville, we went to a go cart and arcade, and would go out to eat and everyone would have so much fun.
