“ To JT, Aubrey, Nathan and Cindy and the rest of the family, I send to you the deepest sympathies of everyone here at AAAHC. We all miss Dee!! We are so fortunate that we actually had the pleasure of having her work in our office. It was a great time and she was such a wonderful colleague. I'm happy she and I had a chance to reminisce and giggle!! It was like old times!! I will miss her so much, but keep her spirit with me always!!

“ Dee will be sorely missed! This world just seemed like a smaller place yesterday when I got the news that she was no longer in it! She was a very personal inspiration to me over the last year. What a truly precious lady she was. I am certain she is walking streets of gold tonight. That should be some solace for the family she leaves behind; for now! I hope to see her again when my day comes...

Sincerely,

“ It was a pleasure to have known and worked with Dee on many accreditation surveys over the past few years. We enjoyed working together and also spending some of our limited leisure times together in "arcades" and good restaurants. I counted her as a true friend. Condolences to all who will miss her dearly.

“ Dear Taylor Family,
I just wanted to offer my sincere condolences for your loss. Although this is a very difficult time may you find solace and peace in the loving arms of family and friends. I have also found much comfort in passages such as John 5:28,29 and Rev. 21:4. It is my sincere hope that these thoughts will bring your family comfort as well. Once again I am so sorry for your loss.
