“ *What can I say about Yogi, my younger brother. He was a man of many talents. As a child, he was very active and full of energy. He always wanted to help our Dad - whether it was working on a car or digging a ditch.*

*He had a great sense of humor and always had a joke to tell. He loved watching the Kentucky Wildcats play.*

*In 1971, Yogi and I took a trip to Daytona Beach - just the two of us. I was recently divorced and needed to get away. None of my friends could go, so our Mom said "take Yogi". So I did, and we had a great time.*

*Yogi built a beautiful home and has a great family. My heart goes out to them during this sad time. Yogi was taken from us too soon and will be missed by many. He will always be remembered fondly by those who loved him*

*Linda Bear, Yogi's older sister*

“ Yogi was my younger brother, but I looked up to him in so many ways. He could accomplish things and tasks that I could only dream about doing. He had so many skills in so many areas. If I could have another brother, thru some Miracle, I could simply and only wish for him to return, to return to his wife and children, and most certainly to me and our sisters. We all miss our Yogi very much. There is a large chunk of our earthly existence that is now and forever missing. There is an emptiness which only he could fill, and he did indeed fill it so well. Thank you Yogi for visiting our family, Thank you for the Time you spent with us these past nearly 70 years...and wherever you may now venture, make it great. Wherever you may land, it will instantly become a better place. Yes, dear brother, you are sorely missed back Home. The Best to you on your Travels...!  
Gary
