“ I enjoyed working with Lisa for years at UPS. She was truly one of the sweetest ladies. And would always go out of her way to say hello to you. She would always speak to us about her family and was always talking about them especially her grandbabies. She was so proud of them. I hated to hear about her passing. You and your family are in my thoughts and prayers.

“ Lisa was one of the nicest people. She always had a smile and something thoughtful to say. She loved her family immensely and it showed how she talked so lovingly about them. Keeping you in my thoughts and prayers.

“ Lisa was such a kind and devoted soul, and it was always a joy to chat with her at the CMC. Her love for crocheting was only matched by the love she had for her family. She spoke so proudly of her children and grandchildren, and her warmth and kindness will be deeply missed. Keeping all of you in my thoughts during this difficult time

“ *Lisa was a wonderful Lady, she loves her Family and so proud of her Grandchildren and was a dedicated UPS CMC employee. She made working a much better place and gave 200 percent to UPS every day. I don't recall her ever missing a day of work as she prided herself on her work ethic and contribution to the company. Lisa, it was a privilege to know you and to consider you a Friend and not just a co worker. Fly High Lisa you are higher now than the jets soar. Prayers for Lisa's Family and I know she is with God. 🌸*
