“ A New Life

*Our loved ones don't die; they start a new life instead!
They haven't left us; they've just gone on ahead!*

*We will miss and grieve them, while we're still alive
But they're waiting, with open arms, for us to arrive!*

*The emptiness and pain, in our hearts, is hard to bear
But their loving memories will comfort us there!*

*We must look to our family and friends, to lend a hand
And help us on our journey, 'til we leave this mortal land!*

*Our love still grows for the special people we miss,
Because we still feel the warmth of their touch or kiss!*

*So, you see, they are still with us in so many ways,
And their love will give us strength 'til our final days!!*
