“ *To know him is to Love him. What makes a person special in our lives is the reason we miss them so badly when they are no longer with us. We have many memories to cherish. Never have I known a more devoted wife and mother than Becky. She was the rock and now she has two strong pillars to lean on, Jason and Travis. Becky has expressed to me how wonderful the boys, their wives. and all the extended family had been through Lloyd's long illness. Our thoughts and prayers are with you all!*
