“ I have wonderful memories of Aunt Lois visting with my family when she came to visit her parent in Beech Grove. Her parents were our neighbors. We stayed in contact even after my uncle and her divorced. She and my parents grew up together. She and I were also Facebook friends. I told her in the last few years that she would always be my Aunt Lois! She was a friendly lady and enjoyed people. She will be sadly missed.

“ I never met Ms.Gregory. Her Son Rick Wahl and I have been friends quite a few years. I have followed his Facebook ministry for quite awhile and I always loved the way she would comment "Mom is watching" She's always going to be watching Rick. God Bless you all.
