“ Dear Mrs. Barbour and Lisa, I loved Lonnie like a brother and maybe even more than some of my own brothers. We were always there for each other no matter how long we had went without talking. We could call each other and pick right back up where we left off, like time stood still. I will miss him extremely. There was never anyone like Lonnie and there never will be. He was one of Gods special angels when he was here on earth and now in Heaven. He will be missed!! You are all in my thoughts and prayers.

“ Lonnie your true love and friendship for my family will never be forgotten. You are a true inspiration and can only hope that "blondie" can follow the guidance and morals you helped to instill in him. I love you brother and will always cherish the great times we had together.
