“ *My deepest condolences for your loss. Lonnie was a wonderful person. I worked with him at Henry Vogt/Tube Ice from 1994 to his retirement. We really missed him. Just wanted you to know that he spoke of his family often. He was very proud of his children and grandchildren. He truly enjoyed sharing stories about you, and updating me on what you were doing in your lives. Best Wishes!*

“ Mike, Melissa and family....nothing I can say would be able to assuage the anguish you all are feeling with the loss of your dad. The pain of losing a parent never goes away, but the memories will be what you clutch onto and the legacy he left behind is in front of you every day - - Every time you look in the mirror and every time you look at your children. The people you are and the amazing parents you both turned out to be is a testament to your dad and his role in helping to raise you. I know he is in a better place and will always be with you. You are in my prayers.
