“ *So sad to hear about Ms. Lorraine. I know for sure every alumni from Donta School of Beauty Culture as well as the other cosmetology institutions she blessed are deeply saddened with this unfortunate news. She was a phenomenal woman. She was so caring and compassionate and I WILL NEVER forget her laugh. I am truly saddened to hear about her passing. I know God truly welcomed her with open arms. She truly cared for people. She truly blessed every cosmetology student she had the pleasure of teaching. I am so blessed I got to learn her knowledge of cosmetology, but most importantly I am blessed and honored I was able to cross paths with such an angel on earth. You will never be forgotten, but truly missed. Sending love and prayers to her family who she loved so much. Especially her granddaughter because she told us so many wonderful and loving stories. That was her baby. My sincere condolences.*

“ *The only way I know how to describe Mam is Proverbs 31-36, she was a Godly woman, who lived her life for God, her family, and friends, and I pray to see her again, in heaven one day 🙏*

“ Ms. Lorraine was one of the nicest ladies I've ever had the pleasure to have known. She was always quick to share a smile & a good story when our paths crossed. She loved her Savior, Jesus Christ, & her family. Especially her Great Grandchildren. Her face would light up aglow & she couldn't help but flash a huge smile when she spoke of them.

I loved to hear her speak of her younger days riding around in her convertible Mustang & cruising down to Fontaine Ferry Park Skating Rink for roller skating & dances on the weekends. I bet she had a grand time back in the day. She also spoke often of her love for her teaching career. She worked very hard to do her best to prepare for her classes, teach & set a good example for her future Cosmetology Professionals. She loved her job. She loved seeing her students excel as they went forward in their own careers. She will be missed by all who had the honor & privilege to have known her. She was a Daisy. I'm grateful that I knew her & that I was her friend. I will think of her often & my day will be better for doing a o. Condolences to her family. Congratulations to Lorraine for a job well done. I know you are where you have strived to be. I'm confident your Savior has your place prepared & has welcomed you home. I hope to see you there someday.

Your friend, Gary Arnold.
