“ *Scott, Matthew & Theresa was very surprised when I opened the paper today to read of Loretta's passing. It has been several years since we have seen any if you, but I always have fond memories of you guys. I was cleaning a cabinet in the kitchen before Christmas and pulled out the Owl Cookie Jar Loretta made as a Christmas gift for me when Matthew and Theresa were just babies. Our thoughts and prayers will be with you guys in the coming days and weeks.*

“ McCafferty Family, I am so sorry to read about Loretta. I will miss seeing her walk through the neighborhood on the way to Kroger and stopping for a chat. She always had time for a smile and a Hello to my kids. You and your family are in my prayers.

“ Please accept my condolences for the loss of Loretta. Many years ago I first met Loretta working with her at the FBI. She always had a smile and kind words. God truly has another angel in heaven.

“ Scott, Matthew and Theresa, I was so saddened to hear about Loretta. Loretta and I worked together. She was so thoughtful and genuine and always caring about others. I left 27 years ago and Loretta always sent me a Christmas card with the latest family updates (Theresa and Matthew - obviously I knew you when you were little tykes!) What a great mom, wife, friend and human being! We'll miss her terribly. I am so sorry I can't make the services today. Please know that you are all in my thoughts and prayers. Amy Wisotsky

“ Loretta was a kind and giving person who generated her own sunshine. She will be terribly missed by all her many friends. Her amazing sewing and cooking talents are legendary, her dedication to her family was inspiring, and her friendship was the best gift of all. I was blessed to have Loretta for a friend.
