“ Luanne,
So sorry that I was unable to attend or to stop by to see you and the family. I am so very sorry to hear about your mother.
I hope that we can reconnect in the very near future.
Again, I just want you to know how much your mother meant to me and what an amazing and special person she was to me growing up.

“ I was so sorry to hear about Aunt Lou, my heart goes out to the family. Even though I didn't visit often, she was a great person. We never know what we have until it's gone. May she rest in peace.
