We still remember the hay ride in the country and fun dances we all went to while we lived in Ky. Nate's first poker game with family and Bitsie (Louis) said "Welcome to the Family" as they cleaned Nate out! Love and hugs to the family*💕💕

Trina, thank you for the great pictures of better memories. Louis Calvin Beck III (Louis Junior's) has always been a good son, uncle and brother. May the memory of his dad always be in his heart and that no one can EVER take away!

Notice how there's a photo posted that isn't even of my papa?? That's because this post as well as your holier than thou comment, Paula, is all just an attempt to make your husband look like he's the bigger and better person for waiting until my papas on his death bed and couldn't even respond to him to make any type of attempt to make thing right, after over 10 years of no contact. Y'all are pathetic honestly.

Dear Grace I am so sorry for your loss. My prayers are with you and your family at this sorrowful time. Your Louis was a wonderful family man. You will all miss him, but have great memories to share. I was always so happy to see the way you welcomed my daughter Lisa into your family. Love to you all.

Lisa has been the biggest blessing to this family, one thing is for sure... my papa loved her like his own.
