“ The Dawson Hill Band holds so many fond memories of Ace. He was a generous, kind and funny man. We loved seeing his smiling face and hearing his laughter. We also loved playing his favorite songs, two of which were "Slew Foot" (an old Jim & Jesse tune) and "Young Love" by the Judds. He will be truly missed and will always hold a special place in our hearts. We send our condolences to the family. The Dawson Hill Band (Dale Perry, Marty Miller & Teresa Tuck)

“ I bargained a lot of contracts with Ace helping and always found him willing to work hard to get the parties together. He also liked to talk about his golf game and how when he got time he was going to practice more. But he was so busy with work I don't think he ever had time.
