“ Mary Jo and All, I just want to say how sorry I am for your loss. Louie was such a delightful person. I think of him everytime I use my laundry on the second floor and remember his hard work in putting that in and how much it has meant to me to have it there. I lost Jim and know that the pain never goes away, but our faith makes it all bearable in knowing we will all be together again one day. I will add him to my daily prayers as well as all of you.
