“ *I'll definitely miss Lou, she was such a sweet person. Very happy to call her my aunt. Heaven just got a little brighter adding her. Love always.*

“ *Lou was thoughtful. She always sent us a wedding anniversary card. We enjoyed our time with her. I remember after Bob died, she said she still felt lonely even if she was in a room full of people. That has always stuck in my head. She will be missed, but she is in a much better place now. Until we meet again..*

“ *Lou was always ready to go. She so looked forward to bunco and her card games. When we played bunco, she was pretty competitive. I didn't play cards with her, but imagine she was there too.*
