“ Our deepest sympathy to Don and Linda and their families for the loss of Louise Lynch. Her loss will be felt in many ways and especially in her ready smile whenever she talked about them or her grandkids. That smile always reached her eyes and she could light up a room. We were honored to have known her and call her family.

“ Remembering my lovely neighbor from long ago when my family and I lived on Dixie Highway they lived right behind us. They had a TV, we did not, and they invited my mother and me over to watch Queen Elizabeth's coronation!! Her children were tiny then. RIP dear.
