“ We were saddened to learn of Mrs. Murphy’s passing. She was a very sweet lady who we got to know much better when we lived in MI and would make the trips to the Louisville area to see family. We always looked forward to Thanksgiving at her home with all of her kids and their families and my Mom and brothers. She was always a gracious host and despite the hustle and bustle of the day, always had time to sit down and talk to you. There was an abundance of fellowship and camaraderie plus the food (oh my gosh, all the food)! She will be missed and our thoughts and prayers go out to Connie, Johnnie & Mary and all their families whom we got to know over the years. Special thoughts for my nieces because I know they were so close to their Granny.
