“ Hi : really hated to hear about Aunt Lula, but I was lucky and got to run into her at dr office, not long ago. We hug, kissed , and talked a minute. Due to my health issues, and my husband health issues, we will not be able to make it to funeral home. But know I am thinking of u all. I just told aunt Lula to tell all the family hi for me. This will help u all get through this, knowing where she is and who she with, and out of pain. Love u all. Betty and Joe Paul McMichael ( Gobel's daughter) Salmon
