“ I'm glad he was my father. He was good to me.  
I always felt his love he had for me  
He took me fishing and we also went hunting for rabbits and squirrels. We did lots of things together. He was fun to be with.  
He took us kids to church from the time we were babies. I became his prodigal child that returned to him.  
His favorite song is I'm just passing through, this is not my home.  
He married my mother when she had four daughters, the oldest one 8 year old. Yes he is resting in peace.

“ I didn't know your father well, just in passing at Azalea Hills. My mother, Freda Doughty, moved in Azalea Hills last July and your father was one of the first that we met. He was always out front, greeted you with a smile on his face and a kind word to say. He always was in a good mood. I missed him the past couple of months and asked about him several times. I will miss his smiling face greeting me in the spring when it warms up and they can sit out front and enjoy the weather. My sincere sympathy to your entire family. You all are in my prayers.

“ I was extremely blessed to have crossed paths with this amazing and loving man while a nurse at Azalea Hills. Always a smile and kind word. Always greeting me with " there's my beautiful nurse". My heart is saddened by his passing as so many hearts are at Azalea Hills. It was an honor and pleasure to have known him. He will be greatly missed!
