“ Aunt Margaret will be sorely missed by me. We were only 15 years a part in age. I know she is so happy to be with Tom again. God bless the Finerty Family.

“ To the Finerty family: I am in this world a better person because of those life lessons Maggie gave to me both as a nurse and a friend. Thank God for being able to share her with you. Many prayers for you but peace in the knowledge that she is with Tom and no longer suffers. God Bless her and you.
