“ I worked with Margi decades ago at Standex Electronics. She was so sweet, thoughtful, and kind. Especially remember she used a ruler to write so her lines were perfectly straight. She was so appreciative that I attended her father’s funeral even though I had only worked with her about a month. She later told me I was the only one who took the time to attend his funeral which obviously meant so much to her. She taught me a valuable life lesson that I still hold dear today. To stop and take time for others as it is the little ways when we go out of our way that can mean so much to others. Sorry that we lost touch with each other and learn of your passing but you have always in my memories.

“ Tim and Melissa you and your entire family are in my thoughts and prayers. Tim, you and Margie were wonderful together, a couple of true rock and rollers. I loved singing karaoke with Margie. I have heard her singing her favorite Patsy Cline "Walking After Midnight" in my head all day.

Melissa, your mother loved you and her Grandbaby's with all of her heart. There is nothing she would not have done for you all.
