“ I would like to tell Tommy and her family how sorry I was to hear of their loss. I didn't know about her passing till it was all over or I definitely would have came and paid my respects. Maria and Tommy and I were friends back in our young days and she was always the same caring person that ppl are still saying about her today. Again sorry for loss and I have been praying for your family

“ I worked with Maria for many years at Dynacraft. She worked on the charitable giving committee and was always doing things for others. She was the reason my husband and I got started doing outreach. She was such a kind and caring soul. I know one thing for sure, her family was absolutely everything to her. She talked about them every day and about how much she loved them. She loved being a grandma more than anything! She will be truly missed!
