“ We have such wonderful memories of our Aunt Marie. Mostly her smile and laugh, while Mack was telling his stories. The home cooking she and our Mom (Elizabeth) would prepare was unbelievable. It would start with the best breakfast in the world, and end with a grand fish fry, like no other. Such a sweet, sweet lady. Marie and Mack's greatest legacy is their kids, grandkids, great grandkids, and all to come. She'll be missed, but like Mom, always with us.
