“ I am so sorry about you losing your mom. We lost our mom, Audrey, last year. I am comforted that both are with the Lord in a much better place. I am sorry I could not attend the funeral. Carol filled me in on her visit with you all. You are in my prayers.

“ To Marietta's family:  
I am writing for my father, John Schutz, to express his sympathy to all of you at the passing of Marietta. Dad knew Marietta and Art from the time when he had a camp at Rough River which was down the road from Art and Marietta's mobile home. He and my mom, Ursula, enjoyed very much the company of both Marietta and Art and became good friends with them. They had many good times together during that time. Dad, who is 91 and not in good health, wanted to visit at the funeral home but he was not feeling up to it, so he asked me to send this note of condolence to you. My husband, Amos, and I send our condolences, too.  
We knew Art and Marietta through John and Ursula and thought so much of them. We just wanted you to know that your family is in our thoughts and prayers.  
Sincerely,  
Jeanne Brashear
