“ Oh Momma. How you will be missed. The generations of family has been so deeply touched by you and all that you stood for. Your strength has been one of a kind. As you used to say, "I would have liked to have been a fly on the wall" & watched you through your blessed journey. I know we will miss you so very much. But momma, you can now drink, eat, talk, walk & stand tall with out any mechanical devices to assist you. I hope you saw your services at Owen. It truly was beautiful. Michael took us down memory lane & made us chuckle & remember all the wonderful things you used to say & do. God Bless you momma until we meet again. Your daughter & son-in-law Joyce & Pete (P.S. Shine momma with all of your glory)

“ I am sorry to hear about your mom's passing. I didn't contact you about my dads because I wasn't sure how to get a hold of you. I hope Aunt Ollie told you.

“ Joyce,

Losing your mother is very hard, I have been there, but know that she is in a much better place and free from her suffering. God is taking care of her now and she is will be watching over you. I am thinking of you and will be keeping you and your family in my prayers. If you need anything please know that I am just down the aisle and willing to help in any way I can. If you need to talk I am here for that too.

“ Maw,

I will miss you very much, You were one of the most kind and giving people that I ever had the honor of calling one of my own. Your caring and sharing here is done and I know there are great rewards awaiting you in heaven. I know you have alot to share with Rick and Dad up there and will be very busy for awhile, we will meet again someday... don't worry about all of us here, we will be there for your girls...and grandkids... all they have to do is call.

All my love forever,

Luke
