“ I just returned to work from a surgery. I was stunned and in disbelief to learn the news. Then I checked my voicemail messages. Mark left me a message to call him back. The tears started to flow. I am thinking of you all. I pray you find some comfort in knowing that he was loved and cherished by so many. He loved his family with everything that he had. If there is anything that I can do, please let me know. I will be in touch once you have time to grieve. Sending my love to you all. Shellee Lawson at Grease Monkey Corporate.

“ Dear Cathy, Damian, Derek, Rita, Renee & Taylor,
I am so sorry for your loss. Mark was a great man. Since living across the street from you on Carlimar I have many fond memories of the time we spent by each others pool. Cathy, I will never forget the time when Mark & Werner came home from work and we told them a deer went running down the street while we were sitting on your front porch.
You all are in my thoughts and prayers.
Love;
Karin , as Mark would say " Karin Across the street"
