“ Marc, you will be missed by many for all of your special and amazing talents and kindness. Your amazing ability to play the piano at the young age of four with no piano lessons ever. That was truly a blessing along with the music you wrote and sang. Your quick wit will never be forgotten and will live on in our memories of you. Rest in Peace and play the piano for Jesus until we can all meet there and rejoice together We love you. Lisa,Bo,Joshua

“ Marc was one of the first friends I made when I moved to Louisville. We met at my first Gay Youth Support meeting. Over the years I visited him when he lived in Florida and he visited me in D.C. So many good times all those years ago. Rest In Peace my friend.

“ Larry Rice and i wish to extend our condolences to the family of Marc Gibson. We were saddened to learn of his passing. We count ourselves as among his countless friends though we have had no contact with him for some fifteen years when we frequented Scottie's Bar in Evansville and so enjoyed his piano playing. I treasure his memory and the Christmas CD he composed and gave to me.
