“ *Mark was a first cousin on my mom's side. His mother was my mom's sister. Mark was an only child & grew up in mostly quiet surroundings but when we got together, (there were 5 siblings in my "crazy" family) poor Mark couldn't deal too well with all the chaos! As a young teen he worked with me on guitar & I was in awe of his amazing skill & talent & he was a kind & patient teacher to me. We haven't kept in touch but our family sends their heartfelt condolences to his wife, children & grandchildren. Our prayers for peace & many happy memories go out for all of you.*
