“ Bob, Wayne and Trevor,
Thank you for sharing so much of Marsha's time with us and LOSNA. We made a lot of trips together, shared many "secrets". One fun time was in Alaska when another person we know set the clock to alarm 3 hours ahead of their time. We have so many wonderful times to think about while we miss her very much too. May each of you find some comfort in knowing so many other people also loved her with fond memories. She and I were very close as you know.

“ Bob and family, we were sorry to hear of Marsha's passing. We enjoyed our time with her and you at LOSNA meetings and here in Canada. Our daughter, Jo-Anne enjoyed being Marsha's private chauffeur as this Filly hated driving, and the one time I did on her official visit I left the car running and we returned to a car that was going nowhere. I told Marsha that at least it didn't matter as the meeting couldn't start without us and we wouldn't be locked out as my Bob had the key to close up Rameses. Our prayers and thoughts are with you.
