“ To Marshall's boys. I am so sorry about your dad He was always so good to me and treated me with such respect. My son, Paul, had many friends, but none I liked as well as Marshall. We had some good cook-outs with him. When he lived in my rental house, you boys visited a lot. I know you are heartbroken and I want you to know he was like a member of our family and we will miss him greatly. I wish you all peace.

He would visit them often when they just down the hill. Sorry but due to the weather I will not be able to attend the services but I want the family to know that you are in our thoughts and prayers.
