“ I am so grateful that I had the opportunity to work with Jo. She and I worked together at Gutermuth. She worked hard and she was selfless. One day when I felt unsure about a situation, Jo had some encouraging advise. She told me to just jump in and do it. She was that kind of person. When she saw something that needed to be done, she just jumped in and did it. She had a gentle heart for the children she taught. I appreciate the gift God gave me of her friendship. May God comfort you at this difficult time.

“ To the Davis family: I have known Jo for almost 30 years. We worked together at Gutermuth Elem. Like me Jo had several positions at Gutermuth. We had good times at school, extra school events and on weekends. Then ever so often the old gang would all get together for a breakfast or lunch and most everybody would come. Jo was a hard worker. After we retired would see JJo and Bobby at our get togethers , at a restaurant or at the good old Kroger. I know she will be truly missed by her family and friends. She was taken too soon but she will be watching over us and be in our hearts and memories.

“ I've known Martha Jo since high school. She was one of my best friends. I remember all the fun we had especially in Mrs. White's business machine class. Ko always had a smile or laughed at all our antics. We will miss her.
