“ My dear sweet sister, Martha. You're with me in spirit. I think of all the times we ran away from home. You always initiated that and I'd grab my shoes and join you because I was afraid something bad would happen to you if you went by yourself. You are absent from your body, but present with the Lord!

*I love you more than you'll ever know.*

“ *Martha was a dear friend to me and the best hair dresser I ever had. Before my husband passed away we would socialize with Martha and friends some of the best times with friends. I have always missed seeing and talking to her since she moved on to better things in her life. Well now she is moved on to a really glorious life, Dear Martha rest in the arms of Jesus now with no more pain. I love you my dear friend. Marion Louden*
