“ *Ralph*

Shirley and I are saddened to learn of your great loss and you both will be remembered in our prayers. I recall often that special weekend you and I had over thirty years ago and the deepening of both of our faith experience`s on that weekend.

This is not a loss my friend but a necessary step to that eternal happiness that is promised by your creator and mine.

I am increasingly aware at my age (78) that my time is short here and I look foward to that time when we sit at that banquet table surrounded by friend`s and loved ones to happily celebrate the beginning of our eternal happiness as God has promised !!

God`s peace my dear friend

“ Dear Ralph:

It's been so long since I've seen or heard anything from Louisville since my move to sunny Florida. I periodically browse the CJ&T and just noticed obituary about your wife - I am so sorry to hear this. I am sure she was as wonderful as you are. You have my deepest condolences and may God continue to bless you both. I am truly sorry for your loss. (PS it was a true honor to know you and work with you)

*Sincerely,
