“ Diane, remember me, Joan Dowell, used to be, from Dawn foods. I saw the obit for Marty and wanted to let you know how sorry I am, I remember how much love you two shared. And, little Blake who is all grown up now and it is hard to believe.

My heart goes out to you and family. Please know that my prayers are with you, but also that your old friend is thinking of you. Please let me know how you are doing when you want to. I wish you well.
Love, Joan

“ I am deeply saddened to hear of the loss of Marty even though I haven't seen him for many years. He was one of the nicest individuals that I ever met. We met at St. Simon & Jude Church. I was the picnic chairman there for a few years and I got to know Marty and the family pretty well. We moved to Indiana and I lost touch with all of you but you will always be considered as friends. My heart goes out to all of the family and our prayers will be with you in your time of grief.
