“ My deepest condolences to all of the Ray family. Even though I only ever met Mary Ann & Martin, I feel like I know all of you through all of the wonderful conversations I had with Mary Ann over the last 12 years or so..... I have never met a more wonderful, loving, & kind person who helped me emotionally so much more than I could ever express... God sent me an angel just when I needed one and that angel was Mary Ann Ray ???? I will never forget her & the true blessing she was in my life..... With much love, and many Angel Hugs, from Dawn Bronson

“ It was a great privilege to have known Mary Ann. She was a very kind person. I got to know her through my daughter Mary and her grandson Paul. Mary Ann treated us like family and was such a pleasure to be around. I enjoyed the time I got to spend with her and admired her zest for life and the positive outlook she shared with me and my family.

I am saddened for the loss of Mary Ann and I offer my condolences to all that loved her.
