“ Mary Anne always had a listening ear and great advice whenever I spoke with her. A woman that had a strong relationship with God and anyone that knew her.

“ Frank I & I have Mary Ann most of our lives. I went to Presentation Academy with her & we shared many good times in high school. She dated my cousin & married him after HS. She knew Frank because he went to school with her brother. Mary Ann thought Frank & I should go out & she kept telling him to call me. He finally did & we married(61 years). I guess she knew us both pretty well!!
