I only met Diane a handful of times but heard many, many stories of her and Jack from Phyllis over the years. I'm so sorry for your loss but am sure she is in a better place. Love you all.

“ I was saddened to hear of Diane’s passing earlier this week. My condolences to Darrel, Phyllis, Gary and Tommy and to her grandchildren and great-grandchildren.

Many years ago, she accepted a role as my godmother which enabled a special relationship between us. As a young child, I remember receiving an unexpected Christmas gift from Diane that provided me great joy. At that early age, I didn’t truly understand the meaning of a godmother - that of a sponsor or guardian - but she made a great impression that day! What a nice lady! My move to Texas limited our engagements, but I enjoyed our time together as she traveled to visit Phyllis.

I was so impressed with Diane earning her nursing degree later in life and providing care to others. What an inspiration!

Now that her time on earth has ended, I am grateful for her godmotherly service. I feel she will continue to be a guardian to me and others. Rest in peace, Diane.
