“Joyce was such a welcoming person and boy did she love to play cards. I am blessed to have known her and shared a few card games with her. She always said I had beginners luck if she lost. She would play hours with Mark trying to beat him. I don't think anyone can beat him in cards, but I do know that Joyce will be looking over his shoulder from above now learning his tricks! Joyce loved her children, grandchildren and greats very much. Every conversation with Joyce was about how proud she was of her family. I will miss her greatly until we walk the streets of gold together. Rest easy!

“When we lived in North Carolina and a lot of our family would visit for 2 weeks Joyce was always so much fun. I was in Joyce's family from the time she was 12 years old. I would go to her house and she would love to brush my hair it would almost put me to sleep. Prayers for her children. She now gets to spend time with her family that is in heaven with no more pain. I Love you Joyce and someday I will see you again. Maybe we can play cards and I will make sure no one talks because you always wanted everyone to not talk but it never happened. Goodbye to a beautiful angel that was part of my family. 🙏🙏🙏❤️❤️

“ I am praying for strength and peace for Eddie, Mark and Missy and all of the family. You will be greatly missed. I remember the times that you helped me out when living in Wisconsin and you were Illinois. You would have given me the shirt off your back and were always there for me. Say hello to Mom, Mike and Dad and all of the angels waiting in heaven. Love to all including her sister Judy and brother Larry,
