“ *I have such wonderful memories of the fun times we had with Mary and the family. After they moved to the Louisville area and would come back to the Whitesville area for a visit, we'd often get together with the family. I remember Mary as such a gentle and kind person. The good times we had with the Barretts and the Boarman family (George and Ann Boarman) are some of my most precious memories. My thoughts are with all the family.*
