“ For 45 plus years Snooks has been apart of my life. From the moment I step into the doors of Assumption life as I knew it, would never be the same in so many ways. Snooks became my Mentor, my teacher, someone who reached out to me and we became friends. She help guide me and always had a way to explaining, what life throws at us and how no matter what ,I would get through this as well. There are so many stories, from sitting on bee's in P.E. to us making Chicken Beast. Not Breast, beast. We always laughed about that. As a Coach, her enthusiaism was over the top and she would always encourage us, whether we started or came off the bench, her attitude was the same. As a person I never found a person with a bigger heart. She had MS,for years before we found out about it, who knew! I loved her laugh and her smile, I never dreamed I would have to say good-bye this way. I will miss you dearly. The loss of you, is a loss for so many. I hope you knewn just how many people you have touched in this life. You are a once in a lifetime ! My prayers and thoughts go out to Mary Helen's Family and her friends.

*This is a prayer Snooks taught me a long time ago,  
Remember almost gracious virgin mary, that ever was it known.  
That anyone who fled to thy proctection employed thy help or sote  
intersection, was left unaided. Inspired by this confidence I fly unto  
thee,oh virgins of virgins of mothers. To thee we come before thee  
we stand oh sinful and sorrowful. Oh mother of the word of  
incardient dispise not my petition but in your mercy hear and answer  
me.*

*Anyone that ever played under Snooks said this prayer before every  
game. Ive never forgotten it. I'll never forget you Snooks, I love you.*

“ *Ms Zahn was my coach. I never was an A player, more like a good B player who sat the bench. But she made me feel OK and as an awkward teenager was something special she gave to her students*

“ *During my time at Assumption, Snooks was a good friend. She had a wicked sense of humor and was so welcoming to all of us. Her influence on the students was tremendous; Mary Helen was a great role model and helped change the lives of so many young women. She will be greatly missed.*
