“ *Leona, it is with a heavy heart I write. I told the boys and they were very much grieved to learn of Sue's death. We all have such wonderful memories of Sue and the whole family together. One of their's and mine favorite was of Sue always being by Mr. Hutti's side when we had gatherings and him feeding her or giving her a sip of his drink.*

*We know as you do that Sue is now in a wonderful place, happy and loved by all and with family members that have passed as well. You are in our prayers as always.*

*Love Bonnie*
