“ Aunt Jinnie was a very special lady. I did not see her often, but always enjoyed visiting with her. My husband and I spent a week with her in Macon many years ago and still remember the special time we had with her. Aunt Jinnie will be sadly missed. I am praying for each of you that the Lord will carry you through this time. I am sorry I am unable to attend the funeral but I will be praying and please remember the following verse:
"I can do all things through Christ who strengthens me." Phil 4:13
(Gene and Betty Kempf's daughter)

“ Bobby, Mark, John and Tommy - Your Mother was a very special person in my life. I always enjoyed our times together, reliving our past. She was one of the connections that I still had to my own Mother, whom I miss dearly. You and your families will be in my thoughts and prayers. May she rest in peace.
